Dear Mr. Skaarup,

Reference is made to the documents submitted by Atea A/S and its independent Ethics and Compliance Expert Deloitte dated 21 December 2017, in compliance with the United Nations reinstatement condition letter to the company dated 6 September 2017.

Please be advised that the United Nations Secretariat's Vendor Review Committee ("VRC") met on 12 January 2018 to review the Expert Report and related documents submitted by the company.

Upon review of the documents submitted, the VRC recommended that Atea A/S be invited to re-register with the UN Procurement Division via the UN Global Marketplace at www.ungm.org.

I have decided to accept this recommendation. This decision is effective as of the date of this letter.

Please note that the UN expects that Atea A/S will continue to strictly comply with its Code of Ethics, and that the highest standards of ethical conduct will be maintained in all business relations with the UN.
